

# Augšanas piedevas

## APRAKSTS

ScienCell augšanas piedevas ir optimāli izstrādātas satur hormonu un augšanas faktorus, kas nepieciešami atsevišķu primāro šūnu tipu atbalstam. Piedevas ir iekļautas speciālajās barotnēs, kā arī tās var iegādāties atsevišķi.

Piedevas:

- [Adipocyte Growth Supplement](#)
- [Astrocyte Growth Supplement](#)
- [Astrocyte Growth Supplement-animal](#)
- [Bronchial Epithelial Cell Growth Supplement](#)
- [Cardiac Myocyte Growth Supplement](#)
- [Cardiac Myocyte Growth Supplement-serum free](#)
- [Cardiomyocyte Selective Medium Growth Supplement](#)
- [Cervical Epithelial Cell Growth Supplement](#)
- [Chondrocyte Growth Supplement](#)
- [Colonic Epithelial Cell Growth Supplement](#)
- [Corneal Epithelial Cell Growth Supplement](#)
- [Endothelial Cell Growth Supplement](#)
- [Endothelial Cell Growth Supplement-rat](#)
- [Epithelial Cell Growth Supplement](#)
- [Epithelial Cell Growth Supplement-2](#)
- [Epithelial Cell Growth Supplement-animal](#)
- [Fibroblast Growth Supplement](#)
- [Fibroblast Growth Supplement-2](#)
- [Fibroblast Growth Supplement-animal component free](#)
- [Fibroblast Growth Supplement-serum free](#)
- [HematoGro Supplement](#)
- [HematoGro Supplement, Animal Component Free](#)
- [Hepatocyte Growth Supplement](#)
- [Keratinocyte Growth Supplement](#)
- [Keratinocyte Growth Supplement-animal component free](#)
- [Keratinocyte Growth Supplement-defined](#)
- [Leydig Cell Growth Supplement](#)
- [Macrophage Growth Supplement](#)
- [Mammary Epithelial Cell Growth Supplement](#)
- [Melanocyte Growth Supplement](#)
- [Melanocyte Growth Supplement-PMA-free](#)
- [Meningeal Cell Growth Supplement](#)
- [Mesangial Cell Growth Supplement](#)
- [Mesenchymal Stem Cell Adipogenic Differentiation Supplement](#)
- [Mesenchymal Stem Cell Chondrogenic Differentiation Supplement](#)
- [Mesenchymal Stem Cell Growth Supplement](#)
- [Mesenchymal Stem Cell Growth Supplement-animal component free](#)
- [Mesenchymal Stem Cell Growth Supplement-serum free](#)
- [Mesenchymal Stem Cell Osteogenic Differentiation Supplement](#)
- [Microglia Growth Supplement](#)
- [Neural Precursor Cell Differentiation Supplement](#)
- [Neural Precursor Cell Growth Supplement](#)
- [Neuronal Growth Supplement](#)
- [Nucleus Pulposus Cell Growth Supplement](#)
- [Oligodendrocyte Growth Supplement](#)
- [Oligodendrocyte Precursor Cell Differentiation Supplement](#)

- [Oligodendrocyte Precursor Cell Growth Supplement](#)
- [Oral Keratinocyte Growth Supplement](#)
- [Osteoblast Growth Supplement](#)
- [Osteoblast Mineralization Supplement](#)
- [Ovarian Epithelial Cell Growth Supplement](#)
- [Pericyte Growth Supplement](#)
- [Pericyte Growth Supplement-mouse](#)
- [Preadipocyte Differentiation Supplement](#)
- [Preadipocyte Growth Supplement](#)
- [Prostate Epithelial Cell Growth Supplement](#)
- [Schwann Cell Growth Supplement](#)
- [Sertoli Cell Growth Supplement](#)
- [Skeletal Muscle Cell Growth Supplement](#)
- [Small Airway Epithelial Cell Growth Supplement](#)
- [Smooth Muscle Cell Growth Supplement](#)
- [Smooth Muscle Cell Growth Supplement-serum free](#)
- [Stellate Cell Growth Supplement](#)
- [Synoviocyte Growth Supplement](#)
- [Thymic Epithelial Cell Growth Supplement](#)
- [Tonsil Epithelial Cell Growth Supplement](#)
- [Trabecular Meshwork Cells Growth Supplement](#)
- [Trophoblast Growth Supplement](#)
- [Urothelial Cell Growth Supplement](#)
